

Gary Richard Herbert

Governor

Declaration

Whereas, continuing attention to safer building for everyday life and in times of disaster helps promote public comfort and peace of mind with respect to the safety and soundness of structures;

Whereas, among Utah's most fundamental laws are the International Building Codes which contribute to safer construction of buildings in which people live, work and play;

Whereas, for construction and building codes to be effective, understanding and cooperation must exist between code officials and those they serve; and

Whereas, cooperative relationships and efforts between code officials and those in the construction industry assist with the administration of these standards;

Now, Therefore, I, Gary R. Hebert, Governor of the State of Utah, do hereby declare May 2010 as

Building Safety Month

Gary R. Hebert  
Governor
